For BBQ Meeting – 15th Jan. 2015

TRIPLE CARE FARM REPORT

On the 18th December 2014 Tony Grainger and I attended the TCF graduation . It was attended by our Local Member, Mayor and a number of the local service groups not to mention the myriad of other notables topped off by

Lady David Martin who is major donor.

We all faded into insignificance in comparison to the brave graduates and fabulous staff. The day was opened by 'Aunty Val' with the 'Welcome to Country', she was worth the trip for her spirit and humour.

The day was closed by Gabi Holmes (nee Grainger) the Farm director. In between, the graduates were introduced and their stories told, there was not a dry eye in the large audience.

We managed to meet the recipient of our donation - Justin Lucas, he was a worthy recipient, who incidentally, was involved in a recent rescue at Shellharbour beach and is the top right person in the attached below. All in all a fabulous day and Tony and I strongly recommend a continuing donation of at least \$1000 to this worthy cause.

President Pete's Ponderings

Greetings again Lions & friends,

I hope you all had a lovely rest over the holiday period & like me are ready 'get up & go' with a renewed vigour in the New Year!

This will be a short report. We have a few commitments to address, these being Driver Reviver & the Kiama Markets, please see our rosters for these. The Kiama Show is quickly Approaching, Please see Lion Jeff Gray and help out with the BBQing or the gates.

But first, let's party & enjoy each other's company. I feel, even though we work hard for our community, volunteering, raising funds & doing great works, the best part is getting together & have a good time with like minded people. So this Thursday let's do it! Let's party & celebrate life & living it!

To finish up, just a few key dates to diarise & remember for the near future.

Seaside Markets:	18 th January
Kiama Show:	23 rd & 24 th January
Nominations Night:	12 th February
Seaside Markets:	15 th February
