

## *Kiama Lions Club - Ki-Lines*

*Edition 13/ 2012-2013*

Happy New Year, it has happened again.

Welcome back to the 2013 half of our Lions year. Although the break has been refreshing for some, we have had a large number of dedicated Driver reviver Lions putting in a huge effort to man the Van to help reduce accidents caused from fatigued driving on our roads over the school holidays great job by all.

We have entered the mad month of January and we have some really hectic activities occurring in a short space of time and these form some of the key events of our year.

The Kiama Show will again create for us the opportunity to support a tremendous tradition which shows community working together to promote the strong link that we have with the past and present agricultural industry of our region.

The show is always an opportunity for Lions to promote our image as a committed organisation working for the community. The Rosters for the Gates and the food outlet are being worked on and will be out shortly so please respond to the call.

There will be a board meeting on Wednesday the 16<sup>th</sup>. Jan., this will give us an opportunity to check that all program activities are going to plan starting with our first dinner event for 2013, the "return to Lions" dinner meeting on Thursday the 17<sup>th</sup>. Jan.

The Relay for life is a wonderful charity event held in high regard in our community and our Lions team has been led, directed, managed and motivated by Barb Hatton et.al' for a number of years and this year Barb asked if She could hand over the baton.

Thank you very much Barb for your tireless work, innovative fund raising and the success and recognition you achieved for our club.

Congratulation and thanks to Wendi Scifleet who has agreed to take on this very worthy project with Bobby English being first to put her hand up to work with Wendi. I know Wendi would appreciate more support so give her a ring and be a part of the team.

Look forward to seeing you shortly.

President Tony

### Lions

The board decided to pay Gerry for all the tickets to the Shen Yun performance on Feb 12 at 2.00pm so that all those who have reserved a ticket can pay Graham Bradley. Let me know if you would like to have one/two of the tickets at \$89 and then payment can be made to the Treasurer. If we do not use the tickets ourselves we will need to get assistance from other groups.

If you need further information about the performance get in touch with me. Some Lions have indicated that they have friends that they may be able to invite - please let me know.

For those who want to travel for \$2.50 a train from Kiama leaving at 10.01 arrives in Central at 12.28 giving you time for lunch - a later train from Dapto at 11.33 gets to Central at 1.20. For the return journey there are trains at 5.12 arriving Kiama at 7.31 (Dapto 7.04) or 5.42 arriving Kiama at 8.03 (Dapto 7.37).

Let me know if you would like to go on a bus instead - prices will be found for large and small buses. Perhaps you may like to organise to stay overnight - let me know.
