

*Kiama Lions Club - Ki-Lines*  
*Edition 17/ 2012-2013*

Hi Lions,

All Lions it has certainly been a very exciting time in Kiama since the Tornados came to town. We Lions share a deep concern for those in our community who have been affected by the big blow and the same concern is felt by members of all other Service clubs in our area and by the broader Kiama community, and our collective immediate reaction was to get in and help where we can.

Help, we will but we can only assist if required and as Kiama was declared a disaster area the Volunteer services had complete control of all efforts and activities in and around Kiama. Once the declaration is announced the State Disaster plans are actioned and as you would have seen Kiama was overwhelmingly supported by SES, Police and Fire services. We have kept in close contact with Mayor Petschler and other service clubs to ensure we are aware of any needs requiring our services.

We are hoping to conduct a Joint Services appreciation activity to recognise the Volunteers efforts; this is still in early planning stages.

What a miserable weekend to have the Kiama Clean up Australia activity, showers, leftover storm debris and worse, but clean up they did. Project leader David Kirkman encouraged a keen team of Lions who this year got some extra help from our local scout troop (we should be on the look out to involve youth where we can) and were able to stack a very significant collection. Thanks David for the hard work and great job that you and your team have done once more.

My thanks to Hilton Bloomfield and Jerry Grainger Holcombe for identifying, interviewing, selecting and presenting your recommendations to the board for the three positions to be sponsored for the outward bound program this year. Notification and acceptance by the three candidates has still to be completed.

This Thursday's dinner meeting will be very exciting, we will start the evening with the annual ritual, electing the 2013-2014 office bearers and board members, the election will be conducted by Past president Jerry Grainger Holcombe and Jim Webb. Please put yourself forward, be part of next year's board. Being an office bearer is a great experience.

Our function for the evening will be an intellectual interaction between two opposing power houses of knowledge (team names withheld at this due to a debate on the definition of intellectual). Gerry is a genuine gentleman and has nominated the topic for the great debate to be "The age of Chivalry has gone". This is a sticky topic, so don't forget to join us and unravel this important Question.

See you Thursday.

Pres. Tony.

**KIAMA LIONS CLUB RACEDAY**

**Please see attached notification.** A great day!!!, For those who have attended in the past, the food is great for the money paid, the vouchers for drinks is an added bonus, and the fellowship is all about "having fun" whilst raising money for worthwhile causes. For those who have not attended, bring some friends, make up a table, travel by train, have a drink and a bet - you are guaranteed to have a great "experience". Contact Lion Clive Payne to book tables and seats.

Hi Lions,

We're 'kick-starting' fundraising for "Relay for Life" with a street stall to be held outside the IMB on Saturday 30th March.

Anyone able to assist with craft items, cooking or other suitable "goodies" should contact Bobbie English on 42324028 or Barb Hatton on 42322644

We're registered as "Kiama Lions Roar" for anyone wishing to register for the walk.

*Many thanks, Lion Wendi Scifleet.*

**KIAMA LIONS CLUB CELEBRATES & SUPPORTS THE JOHNNY WARREN LEGACY ( taken from MD 201 N2 NEWSLETTER)**

The week-end of 8-10 February 2013 celebrated the 16th Annual Johnny Warren Memorial Cup and the 10th Annual Johnny Warren Jamberoo Classic bike ride. Both events celebrate the immense contribution to football and cancer re-search by the legendary Johnny Warren. The Kiama Lions Club contribute to this legacy by supporting these fantastic events, led by Lion Ray Redgrave and his hard working team at Kevin Walsh Oval on the Friday, Saturday and Sunday. The 'Lions' provided meals and drinks all week-end until the last weary rider arrived in Jamberoo on Sunday afternoon.

The weekend started with a 'touch footy' competition on Friday evening, followed by the football competition on Friday night and Saturday, finishing with the bicycle ride from Loftus in southern Sydney to Jamberoo, with over 500 riders participating.

The organisers of the Johnny Warren Memorial Cup and the Johnny Warren Jamberoo Classic would like to thank Lion Ray Redgrave and the Kiama Lions Club for their support.

The Johnny Warren events in Jamberoo celebrate the life of a much loved member of the Jamberoo community and of course the wider sporting community throughout Australia.
