PRE-MEETING APOLOGIES

If a Lion is NOT attending he/she needs to apologise by emailing kiama.nsw@lions.org.au by 6pm the evening before the meeting.

Likewise advise if you are bringing a guest, including your husband, wife or partner.

Lions not apologising will be charged the cost of the meal as the Club is charged for the number booked in. Please be mindful of this

- **Chris**

Firstly thanks to all the Lions, Ladies and friends who have called on Chris. He certainly appreciates these visits.

And on that note it would be good if we could get a few 'names' to call on Chris over the next two weeks at least. Many thanks.

If you see your way clear at any time to drop in at short or no notice, please do so. If you don't mind letting me know afterwards, we can try to keep a good 'spread' of visitors over each week.

Bobbie visited last night (Thurs) and thought Chris was doing 'OK'.

Bobbie mentioned the following -

His feeding tube has been removed and he is able to take softish foods.

The braces have also gone, though the tracheotomy is still in place and 'open'. Chris still has a the ventilator at night.

He is doing Gym two days each week along with the recuperative therapies necessary for his rehab (Occupational Therapist)!

There is a regular watch for any adjustments that might be necessary for his wheelchair as he spends more time in it, - but not able to use any of the controls at this stage.

And as we said previously, Chris is speaking strongly and not short of chatting about 'anything and everything'.

Times -

Visiting times are subject to change depending on the rehab programme at the time. (Bobbie said don't go next Tuesday between 11 and 12 as there is an important meeting scheduled.)

In any event, - and repeating myself - always be prepared to have an occasional delay in chatting with Chris, subject to what is happening to or planned for him at any time.

(That's the best time to go and have a coffee or lunch at the nearby Cafe.)

In the next day or two I will send through another email via Jim clarifying suitable visit times for the next week.

Regards,

Russell

- District Changeover Canberra 1st July 2018.

At our last Lions dinner meeting, a number of Lions asked me about the District Changeover in Canberra, where I officially 'take over the reigns' of our District as District Governor Officially though, I would have become DG on the 1st July 2018.

A number of our Lions have already booked and we are staying at the Tuggeranong ABODE <https://abodehotels.com.au/>, which is a short walk to the 'Town Centre Club'.

Even though I need to Chair my first Cabinet meeting on the Sunday morning, we all may be able to meet for lunch somewhere nice in Canberra.

If you would like to attend, please see the invitation(below) to book in for the function & the ABODE website above to book a room.

Let Wendi & I know if you are coming and we'll arrange a table so that we can all sit together.

Yours in Lions, Peter

Up Coming Events needing Member assistance.

- Jamberoo Festival committee has requested our assistance for the 21st of July at Jamberoo as parking attendants and collectors. This is the Saturday before the markets.

Ray Redgrave will head the team and they need 4 lions. Ring Ray now if you think you can assist. Emails will be coming out at a later date.

- BBQ for the Hot Rod Show

Subject to Board approval, we have the opportunity to run the BBQ for the Hot Rod Show on Sunday 9th Sept.

For that we will need 2 teams of 6 BBQers and 2 teams of 3 as Bucket collectors.

In previous years this event has been great fun and a good opportunity to raise decent money. Last year it was about \$5500 clear.

Please let me know if you could be available as I will be away o/s from 20 June -10 Aug

Thanks 2 dads.

- Auto Event on 11th November in partnership with Kiama Rotary.

The event runs from 9am to 2.30pm and this year is planned to be bigger and better!

Last year we had just short of 2,000 people through the gate at \$5 per head (children under 12 are free). Our net profit before \$5,000 sponsorship was just over \$14,000. This event has grown since 2013 when our profit was around \$7,000.

We were hoping you would agree to a profit sharing arrangement , and will be happy to discuss this with you.
