President Pete's Ponderings

Hello Lions & friends,

Please forgive me for the indulgence of posting the Rabbitoh symbol above, but it has been a long time! The last time Souths won a Grand Final I was sitting for my School Certificate. Any spelling mistakes can be blamed on a bad case of gout of the brain.

We have a little bit coming up this month, the big item being the 'Lunch with Peter FitzSimons' on Friday the 31st October. See our advertising poster attached to this email, please re-post it to your friends by email, or print it off & have it displayed in your local shop. We need to sell 115 seats for the event, good news is, only 110 to go. Our sub-committee of Lions Ray, Todd, Jim Carney & Ivan are working toward a successful event. If you have an item that could be auctioned, raffled or used to fund raise on the day & you wouldn't mind donating it, please let us know.

Chris English is arranging our 'old boys' Dinner Meeting for the 23rd of October. We have sent out about 25 invitations, most of those invited are attending. We should have a great night. On the same evening Lion Wendi is arranging a girls night out over at the Community Centre, please pass on the invitation to your ladies. See attachment.

Treasurer David has asked me to mention a couple of items. There are still a number of us who haven't paid our sub dues as yet, please do so. David's other concern is that although we appreciate Lions apologising for non-attendance for a Dinner Meeting, some Lions are waiting until the Thursday of the meeting to do so. Unfortunately, by that time, our venue has been informed of the number attending & that can not be changed. So please inform David ASAP.

Bob Gray & his caravan committee are visiting a manufacturer in Sydney this Wednesday. If all goes well, we'll place an order & have a new caravan in a few months.

Last but not least, Ray Redgrave reports he has filled all the sponsorships for our Race Day in May 2015. All we have to do now is fill the seats! Well done mate!

Peter

President's Breakfast

Our Shellharbour Lions are cooking us breakfast & showing off their hard work at the Lions Park at Mt Warrigal.

9am - Sunday 26th October.

Please put it in your diary & join us.

Major Stuff Up
by President Pete
Lions I mentioned in an email last week that we would be presenting Lion Paul Gale with his Life Membership on Sunday.
The correct date & time is Saturday 11th October at 2pm, at Blue Diamond

Yunnan Province Earthquake

On Sunday 3rd August, a terrible tragedy occurred. A large earthquake struck the Yunnan Province of China. Authorities estimate that nearly 600 people have lost their lives from the Zhaotong earthquake, with an additional 2,800 people injured across several counties. Even more people are missing. It is estimated that more than 25,500 homes were completely destroyed, with an even higher number of houses damaged.

Lions Clubs International Foundation (LCIF) immediately responded with a US\$250,000 Major Catastrophe Grant, with cash from the disaster relief fund, allowing Lions in affected areas to immediately begin providing assistance. These funds will help meet immediate needs by providing food, water, medicine, blankets and other necessities as quickly as possible.

With approximately 21,000 Lions members in China, many of our fellow Lions have been directly impacted by this disaster.

Preventing Measles, Improving Health for 41 Million Children

The Lions-Measles Initiative pilot program is a partner in the fight against measles and is targeting vaccinating 41 million children in Ethiopia, Madagascar, Mali and Nigeria. Lions and Lions Clubs International Foundation are aiming to vaccinate a target of at least 95 percent of children ages 9 to 47 months old.

The Foundation is partnering with the Measles Initiative to support a world-wide effort to protect children from measles and strengthen routine immunization services. The partnership program is jointly funded by LCIF and the Bill & Melinda Gates Foundation.

Vaccination campaigns in Ethiopia and Madagascar in October targeted to vaccinate more than 10 million children. Vaccination campaigns will launch in northern Nigeria in January and southern Nigeria and Mali in February and aim to vaccinate an additional 31 million children.
