Hello Lions & friends,

I'm writing this on Sunday of the Long Weekend, the day after the Kiama Show, traditionally our biggest workload commitment of the Lions year. Thankyou to all the Lions who worked on the gates & BBQ at the show.

Of all of us who 'put in' on the weekend, there are a number of heroes that need a special mention. Thank you Lions Jeff Gray, Dennis Wilson, Geoff Dowd & David Wardle for your extraordinary work, we are indebted to you all.

A big thank you also to Ann Boulton, Marilyn Wright, Annette Hoskins, Vivienne Gray, Faye Redgrave, Lion Lorna Wardle (Shellharbour), Simona Larkins, Shiela Methold, Bobbie English, Liz Wilson & Michael Fox for filling vacant positions on both gates & BBQ.

Thank you also to the set up & pull down crews, a big job accomplished with a minimum of fuss through teamwork.

But the work's not finished! Dennis, Dave & Grayo will be cleaning everything up & getting our gear back into working order for our next outing.

Also over the Christmas/New Year period we have been providing community service by making sure our Driver Reviver was up & running for not only ourselves, but for Minnamurra Lions as well. A special thank you to Grayo, Dave Robson & Chris English for setting it all up as well as Barbara McNaught & Michael Fox for filling vacant positions. Did someone say we have to get Michael inducted soon?

Celebrity Chef Rick Stein dropped in to shoot a BBC documentary at our Driver Reviver & had a touch of being with famous folk when he was in the company of Lions Chris English, Richard Langford, Rob McKinnon & Jerry G-H.

Our last Dinner Meeting saw us return to the Rugby Club for our annual start of year BBQ. Over 100 of us had a great time with many suggesting we should do it more often!

Thankyou to our wonderful 'Better Halves' for providing the fantastic salads.

Last, but definitely not least, congratulations to Lion Gerry McInerney in being awarded the Kiama Citizen of the Year. See photo following page. Congratulations also to Lions Wendi, Jerry G-H & Sue for their nominations as Citizen of the Year as well. We were definitely well represented!

Peter

Market Roster

Some months ago I emailed all Lions gauging availability for the monthly Market Roster. If you DID NOT respond, then you have been put on the roster. With the addition of a 6<sup>th</sup> person required to sell raffle tickets at each market this means, more than ever, that "many hands make light work". Please see the attached roster and if necessary make the required 'swaps', remembering to notify your team captain. I would also appreciate being notified so that I may keep the roster up to date.

Many thanks.

Lion Wendi

## A Request from Lion David Grant

Dear fellow Lions,

Most of you will remember I rode my bike in 2006 around 500kms over 5 days to fund raise for Tsunami Victims and of course this was a well deserved and well sponsored ride!

A friend of mine from Uni days Steve Anthony was involved through his son being affected with the setting up of Giant Steps in 1995 which has helped enormously Autistic Spectrum Disorder children and their families in Sydney .

It continues to grow with the enthusiastic support of dedicated workers and fund raising. This condition is not a fashionable high profile illness but causes immense hardship for families involved and fails to attract much Public Funding. I have foolishly agreed to join the "Giant Steps 3 day bike ride" on the 12th of March in Victoria covering around 300kms with the odd hill here and there .

When I rode in 2006 I was 53 and riding 65kms a week in training. Since I spoke to Steve and agreed to do the ride last year I have ridden a total of 100kms ( ie around 5kms a week !) but plan to throw in at least another 100-200kms to get my average up to maybe 15kms.

My cardiologist (and yes I have a heart) wants me to restrict my heart rate to around 140 a minute till April this year and I am managing that (well within 20 %)

Bottom line is you can be assured I will not be asking for further funding down the track for another ride.

Yours in trepidation,  
David Grant

## BOARD POSITION NOMINATIONS for 2015/2016

Over the next two weeks Lions Gerry

& Harvey will be working on having a full complement of Lions to take positions on next year's Board & periphery positions.

This is not the time to sit back & think someone else will do the job, this is the time to think what you can do to keep this Lions Club, our Lions Club operating into the future.

Please, stand up, show you care, and have a go.
