

Kiama Lions Club

Ki-Lines

Edition 18/ 2013-2014

Hello fellow Lions. At our last meeting we held our all-important elections (very important for me!). Congratulations to incoming President Peter Scifleet, Incoming (and present) Secretary John Larkins and incoming Treasurer David Wright plus the remainder of Peter's Board which will be further detailed in this edition of KiLines. Also on that night we were entertained by Al McDonald's musings on the early days of Kiama Lions. There were certainly some characters back then. Talking of characters, Hilton Bloomfield comes from interesting stock. Seeing those photos of his father in lycra reminded me of my bike rides on Sunday with Dave Grant. Thanks to both of you for your great contribution.

I had the opportunity to see some of our finest doing service work at the Second Hand Saturday. We not only directed traffic (close to 100 cars), we served up some fine food and drinks. Secondary, of course, to all this we made well over \$1500 on the day and sold hundreds of raffle tickets. Thanks to all those that volunteered, especially Mal Bedford and Ian Chellew who did all the lead up work. Good to see new member (almost) Winton Brooke-Smith serving up great food and acting as mechanic to broken down stall holders.

Don't forget this week's meeting is Bowl's night at Kiama Bowling Club; 6.30 for 7pm food in the new Chinese Restaurant then out to the rinks for exciting bowling. **Don't forget your flat shoes (thongs if nothing else).** Warren Steel has promised a great night and if you REALLY can't eat chinese please ring Warren on 0416 527 666. Usual meeting attendance etiquette applies.

Pres. Geoff

If a Member is NOT attending he/she needs to apologise by ringing the Club's phone number **(0449 523 040)**. That is we assume you're attending unless told otherwise.

1. If a member is bringing a guest (e.g. wife/partner/friend etc.), the Club needs to know by ringing the Club's phone number **(0449 523 040)**.

BOWLS-DINNER MEETING

27th March 2014

Venue Kiama Bowling Club

6.30 For 7.00pm

AGENDA

Dinner at 7pm then very informal night of bowls and laughter.

DON'T FORGET FLAT SHOES

BOWLS ARE AVAILABLE AT CLUB

27th March 2014

Venue: Leagues Club

6.30 For 7.00pm

KIAMA MARKET ROSTERS - CARAVAN:

20th APRIL 2014

AM	PM
Dennis Wilson (C)	Richard Hoskins (C)
Russell Fredericks	John Moore
David Kirkman	Gordon Bell
Gordon Weaver	David Wardle
Ian Chellew	Mike Eadon
Jon Phipps	Ian Kind

NOTES

1. Please organise **your own swap** and tell the Captain of your team who to expect on the day
2. [C] - **Team Captain**
 - (a) to organise roles and ensure 1 person from morning team to assist setup 7AM
 - (b) to ensure sufficient lions available during his shift
 - (c) to ensure quality of product to customers
3. **Shift Times:**
AM 8AM to Midday
PM Midday to 4 PM (includes cleanup)

EDITOR: Looking at some of the Lions persons assigned to these markets I would suggest that the Captains check their Lions for this event. I am led to believe that Lion Ian Kind will be departing Kiama on or around the timeframe of the markets and that Lion Mike Eadon is not working the Markets van this season.

EDITOR'S NOTES:

Happy Hour Friday 21st March.

Working with Lions at the Car Boot sale on Saturday, what I hear from those Lions that attended this event that it was a great night:

Firstly: from a weather aspect

Secondly: The pizzas were a great hit, especially the Seafood one.

Thanks to Lion Geoff Heinecke for organising these on a regular basis, there are an invaluable social outing for both Lions Members and Lions Partners to enjoy together as a group; outside of the timeframe that Kiama Lions members provide community service to Kiama District community, taking time away from their families to complete those tasks.

Thanks Lion Geoff.

Lion Warren is organising our next meeting at the Kiama Bowls Club.

Lions, it is important to support these events, they are important for the Club from a social aspect, to participate and enjoy away from the regular fortnightly meetings provided

Editor.

FORTHCOMING DATES OF IMPORTANCE

- MARCH 24TH:** CHARITY NIGHT - KAI Japanese Restaurant
- MARCH 27TH:** BOWLING NIGHT
- MARCH 30TH:** CLEAN UP AUSTRALIA DAY - 8AM MEET AT SCOUT HALL
- APRIL 12TH:** FUNDRAISING DINNER - HELPING CAMBODIAN CHILDREN ABROAD. (Looks like this venue has been filled with Lion John Moore)
- APRIL 20TH:** Kiama Markets - Caravan + BBQ. BBQ Numbers to be organised by Lion Jeff Gray at next meeting
- MAY 3-4TH MAY:** RELAY FOR LIFE
- MAY 13TH:** COMBINED DINNER (with Minnamurra and Gerringong)
- MAY 24TH:** GERRINGONG LIONS 20TH ANNIVERSARY

Anniversary wishes for this fortnight to (belated & current: Tony & Linda Grainger;; Rosemary & Jon Phipps;

Birthday wishes for this fortnight: Chris English; Helen McInerney; Richard Langford; Ainsworth McDonald;

We are once again registered as “Kiama Lions Roar”.

To join the team or make a donation go to www.relay.cancer council.com.au or ‘google “relay for life 2014”

- To join our team select “Join a team” – next selection is “Select a Relay” – choose “Kiama 2014” – scroll down to Kiama Lions Roar
- To donate – click on “Donate” – in the “Find an Individual” box type ‘Wendi Scifleet’

Early Bird Registration closes on March 10th. After this date the registration cost will rise.

HAVE YOU HELPED LION WENDI SCIFLEET TO SECURE THIS ITEM FOR RELAY FOR LIFE?????

Does anyone have a commercial rice cooker that we could borrow for the "Relay for Life" catering?

| Tail Twister | No nominee |
| Lion Tamer | Maurie Kelly |
| Ki Lines Editor | Mike Eadon |

The following members have volunteered as non-elected Assistants:

Assistant Treasurer: Warren Weekes

Assistant Secretary: Mike Monaghan

NEW MEMBER TO KIAMA LIONS CLUB

My name is Winton Brooke-Smith I live on a property in Curramore with my wife of 25 years. We raised three children; Kieran, Aleisha and Justin the latter two still live at home, their mum looks after them too well!!

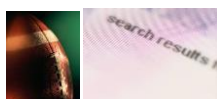

My background is mechanical engineering I have been self employed since 1984 working in various business ventures having started them from scratch. I have always enjoyed the challenge.

In 1998 between business ventures our family traveled around Australia for 18 months, one of the most memorable periods of our life, we schooled our children through Distance Education and they all slotted back into school nicely when we arrived back home.

I have a bit of history with community service having in my youth been a member of a Rotaract club and also Jamberoo Apex club until I was forced to retire! I was heavily involved both in the fundraising and the construction of the Jamberoo Skate park in 2006/7 and myself and Kevin Carson were recognized by Kiama Council on Australia Day 2008 with a joint Youth Achievement Award, a very humbling experience.

I am looking forward to getting involved with Kiama Lions.

Editor: This new member is being sponsored by Lion Ray Redgrave, and was part of the contingency of Lions at the Car Boot Sale last Saturday. Lions present: Need to vote 1-10 on his ability to compile sausage and bacon/egg sandwiches!!!!

KIAMA LIONS FOOTY TIPPING 2014

Round	1	2	Progressive
Dave Wardle	8	12	20
David Grant	10	10	20
John Moore	8	10	18

VAN BACK TO DEPOT					

NBN – What’s happening?

Kiama Downs, Gainsborough, & Minnamurra

23 May 2014 :

NBN replaces the Telstra copper landline phone & ADSL internet services, when these services are switched off soon after this date.

Customers with special equipment over a copper cable phone line should also contact the supplier of the special equipment. E.g. EFTPOS, back to base alarms, medical alert system, etc.

Source: NBNCo Media release 24 Feb 2014

From 24 May 2014

Telstra to progressively turn off the copper cable network over 10 business days.

Limited phone service (emergency calls & calls to Telstra only) on the copper for up to 20 more business days after the initial 10 days

Customers who apply to transfer to the NBN by 23 May 2014 will retain their services on the copper cable until their NBN service is fully installed.

Source: Illawarra Mercury 17/03/2014

IF YOU DO NOTHING YOU RUN THE RISK OF HAVING YOUR INTERNET AND/OR PHONE SERVICES DISCONNECTED.

SOME PEOPLE HAVE DECIDED NOT TO TRANSFER TO THE NBN, BUT TO USE THE MOBILE PHONE NETWORK FOR PHONE AND INTERNET SERVICE.

Transfer / Connection process:

1. Contact Retail Service Provider (RSP) of your choice & request connection to the NBN – NOW
2. Appointment 1: NBN installs internal equipment
3. Appointment 2: RSP installs equipment or RSP posts equipment for self-install by the customer

Major areas you have choice:

Retail Service Providers (RSPs)

You choose the RSP for your needs

Connection options in your building	Pros	Cons
Wi-Fi No cabling required speeds, less secure	fast install, inbuilt, cheapest	lower
Powerline (EoP) No cabling required speeds	fast install, extra costs	lower
Ethernet Cat5/6 cabling required	Fastest speeds, most secure	longer install, higher cost

Other options and considerations

Existing services: Phone, Internet, etc. onto the NBN

Services / offers / speed you want on the NBN

Considerations (important)

Retain land-line phone number?

CHECK IF YOUR CURRENT INTERNET SERVICE PROVIDER CAN RETAIN YOUR CURRENT LAND-LINE PHONE NUMBER AND EMAIL ADDRESS

[Change to national phone number?](#)
[Retain or change email address?](#)

Kiama, Kiama Heights, & Jamberoo :

Check the NBNCo website to see when the Telstra copper cable services will START TO BE SWITCHED OFF.

Go to www.nbnco.com.au

Click on the “When do I get it” tag on the home page & enter your address. Disconnection dates are from:

Kiama Heights: 30/12/2014

Kiama & Jamberoo: 9/02/2015

Similar situation as per Kiama Downs, Gainsborough, & Minnamurra nearer these dates, except that the optical fibre will only be connected to your building after you contact your preferred RSP and request transfer of your current services on Telstra’s copper cable to the NBN.

There will be delays in installing the NBN fibre to the building, & internal equipment, due to the complex geology of the area and damaged conduits, or no conduit, from the street to the building.

Contact the RSP of your choice & request transfer of home phone and Internet to the NBN – SOON, DON’T WAIT

FOR ALL AREAS

In the event of a mains power outage, the NBN internal equipment includes a battery back-up unit, which provides up to 5 hours of power to the NBN equipment. If you have a plain old telephone

directly connected to the NBN internal equipment ‘UNI-V’ port it will continue to operate as long as the battery back-up unit is working.

If you require other communications equipment to be operational during a mains power outage (e.g. gateway / modem / router, cordless phones, desk-top computer, back to base alarm, medical alert system, etc.), you should consider an Uninterruptible Power Supply (UPS), which includes a back-up battery and power points for selected equipment to continue operating for a period of time during the mains power outage.

MEDICAL ALERT DEVICES

If you, or a family member, have a medical condition/s that require a medical alert system, and you are a Telstra customer, you can apply to be listed as a ‘Priority Assistance’ customer, and may be eligible for a ‘Priority Assistance Interim Phone Service’ that includes a UPS to keep your medical alert equipment operating. This is a separate temporary service operating over the mobile phone network at present, which can be connected into you existing home phone wired network.

Wi-Fi in the building

If you use the Wi-Fi system of your RSP’s gateway / modem / router to access the Internet from computers, tablets, smart-TVs, etc., you may not get Wi-Fi coverage throughout the building. Wi-Fi range extenders can be installed to increase the Wi-Fi coverage.

For more information, contact David Robson
