President David's comments

July has come and gone, wow! We've had two dinner meetings already. The first meeting reflected on our clubs amazing past 46 years. The history and anecdotal memories of our long standing members was both entertaining and an inspiration to us all. It demonstrates the fun and fulfilment that can be achieved by involvement in lions.

At our second dinner meeting our guest speaker, Warren Goodall, gave us an amazing insight into the organisation and functioning behind the scenes that occurs whilst managing emergencies.

We were also blessed with the weather at the July markets.

August will see us going to the Jamberoo Pub to host our District Governor, Sally Bishop. This should be a fun night at a different venue and *partners are encouraged* to come along. We need to know the numbers by the Sunday before (7Aug) so please either apologise or notify if partners are coming by then via an email to the secretary.

The second dinner meeting in August will be back at the KLC. The guest speaker will be Tug Wilson (hopefully). He is an ex-Navy, current A380 pilot and President of the Kiama Golf Club. So who knows what he'll talk about. I said hopefully because he's still subject to the vagaries of Qantas scheduling.

Activities this month will include a fund raising dinner at Hanoi on Manning. Also coming up is the setup and dismantle for the Kiama Art Show at the club and the markets.

Our Program: I'll have the latest program update attached to this email as a *bonus* for you. It is also available in the member's area of our web page all the time.

On the Web: Speaking of this, Geoff Dowd has updated and expanded the files and information in the members' area. This will prove to be a valuable source of information always accessible. To access this:

- Go to : <http://kiama.nsw.lions.org.au/>
- Click on **LOGIN** and
- SIGN IN, the password is your **lions number**, which we're trying to redistribute in case you've lost it. (if you select 'remember me' it'll probably remember your password for next time.
- It'll go back to the home page and the **LOGIN** button has been replaced by **MEMBERS**
- Click on the **MEMBERS** button (not the drop down menu) and it should open up the MEMBERS PAGE.
If that's not clear you'd better get Geoff's explanation

On Facebook: access our page by searching **Kiama Lions Club**. This will become a valuable place to promote our activities and get feedback from the public. We're trying to move our communications with the times and utilise what's available.

Club “Stalwarts” presented a brief history of the club at our first July meeting.

Contrary to the body language of the presenters, the audience found it both informative and amusing.

FLASH ID is no longer an official Lions project so our stocks are being sold off at cost price. ie. \$45 for either the watch or card. (credit card size)
The card and watch don't only store important medical information. There is plenty of space for other storage. I use mine as a back-up filing cabinet with copies of:

- Enduring Guardianships, Powers of Attorney, Wills, Jewellery valuations, Photos of possessions (I don't have receipts going back many years and insurance companies want either receipts or photographs as proof of possession before they'll pay out.) Copy of passport and other important paperwork, Family photographs etc etc

Please contact Wendi Scifleet if interested.
