## JULY 2019

**UNDER NEW MANAGEMENT**

**From President Jim**

Welcome to the new Lions Year

Firstly, let me pay tribute to President John who stepped in short notice when disaster struck Chris last year. He and his Board have obviously done a great job, because the Club is great condition with secure finances, increasing membership and exciting new fundraising initiatives. It is gratifying to know that we have been awarded the best Club over 30 members in our District.

We have many opportunities ahead of us this year which we must embrace. I look forward to working with you and am confident that I can count on your continuing support.

Let us work hard, but above all, let us have fun doing it

Yours in Lionism

Jim

## NEWS and GOSSIP!!

1. Last week Kiama Lions sent flowers for the funeral of Mr Des Sherlock, who with his wife, made two financial donations for the Carers Cottage during it's construction. He was a friend of John Unwin.

---

### 2. Carers Cottage.

Wollongong Council have been very pleased with the facilities on offer and from the feedback they received from Carers. They have made reservations for 3 more groups spread over the next months which is good news. Our cottage management is now in discussions with the Disability Trust and other potential customers.

---

3. Another decent day at Bunnings last Friday, despite the cold and the subsequent low number of drinks sold, we still made about \$750 which is a respectable return with less people required per shift.

---

4. The latest news on Billy Gilbert is that he is not at all well. He has been sent home from Shellharbour Hospital. Gerry McInerny and his team are helping to make him as comfortable as possible, Please spare a thought for Jeanette at this difficult time

---

5 **Treasurer reminds us that Subs are due in July**  
**He knows where you live !!!!!!!!!!!!!!!**

---

6. Just a polite reminder that Lion Wendi has a weakened Immune system at the moment. So, if you have a cold or 'flu she would be much happier with a wave rather than a hug !

---

7. Last week we put a piece in the Independent about our great gardening team who do the Lion Garden by the terraces every Wednesday, as well as the Bureau of Meteorology site at Bombo, (known as the BOMsite)!

We have since been informed that the money we earn from doing the Bomsite is often used to buy colourful annual plants for the Garden. Sadly it appears that someone is helping themselves to them which is a great pity. A large Rosemary Bush and most of the annuals have been dug up and taken away. It is disheartening for the team who were about to plant a large Camelia called "Volunteer" and some "Lion" Roses. Perhaps we should set up some cameras to catch these folk in the act.

---

8 There will be no Kilines edition for the month of August as the editor will be going back to the UK to sort out the political situation and the English cricket Team

---

9 We may be participating in the **Jamberoo Music Festival** next month, but we need to have a clearer idea of what the Organisers are looking for before we can commit ourselves. We should know shortly. Tony Grainger will send an email once he gets the information.

10 The next Partner group in our Sunday Market BBQ will be the Kiama Swim Club. We have worked successfully before with them but in the old triangle location. It is difficult to judge the success of the new one because these next 3 months are the worst for markets with cold and windy weather

11. Our "Recyclers" have now added Easts Beach to their customer base. Should turn out to be very worthwhile in the holiday periods.

Madam Secretary  
has gone native in  
Latvia.

Dennis Wilson and  
Geoff Heinecke  
went to Japan. If  
they had gone  
native -would they  
have been Sumo  
Wrestlers!!?

### The New Board being inducted.

Chanel's just realised that their joint award  
only has her husband's name on it

The sixth annual **Hot Rod Show** and Shine put on by the Romans Hot Rod Club of Sydney will be held at Black Beach on **Sunday Sept 8**. We have worked with them every year since its inception and it has been a very good money earner, because we can do a gold coin collection at the same time.

**2 Dads** will be the point man and will be looking for **2 shifts of 5-6 BBQ folks** plus **2 teams of 3 Coin collectors**. He will be away until Mid August, but on his return will be looking for volunteers, especially the **coin collectors**. They will do shifts of 2 hours **9-11 and 11-1pm**.

## Calling all Golfers

The Shellharbour Sharks Football Club are holding a massive fundraising Golf day at Shell Cove Golf Club on Friday 12<sup>th</sup> July.

By special invitation we have been offered to enter a foursome. The cost is \$450 per team, but this includes Full American Breakfast on arrival

Game of Golf , + 2 carts

Full lunch and many prizes down to 7<sup>th</sup> place including \$10,000 for a Hole in One.

We have been specially invited by one of the organisers, the Specialist Butcher in Shellharbour village, with whom we have developed a very good relationship. **Please talk to Ian Chellew if you are interested.**

Please take a moment to read the letter from Professor Marshall from the Kids Cancer Centre in Sydney about the Lions contribution to Childhood Cancer Research. It will come via separate email entitled ALCRF Newsletter. It makes heartwarming reading
